Release Details

Employee Recruiting & Applicant Tracking

New Features & Enhancements

- **#6752 – "Auto Add Job Applicants to Tracker" Configured by Default**
  The majority of districts that use trackers always configured "Auto Add Job Applicants to Tracker," so to save configuration time and clicks, we have made this the default setting when creating a new tracker.

Process Forms

Resolved Issues

- **#4746 – Checkbox List Conditional Field Not Working if "Other" is Chose with Additional Options**
  Checkbox list conditional field not working if "Other" is chosen along with additional selections by someone completing the form.
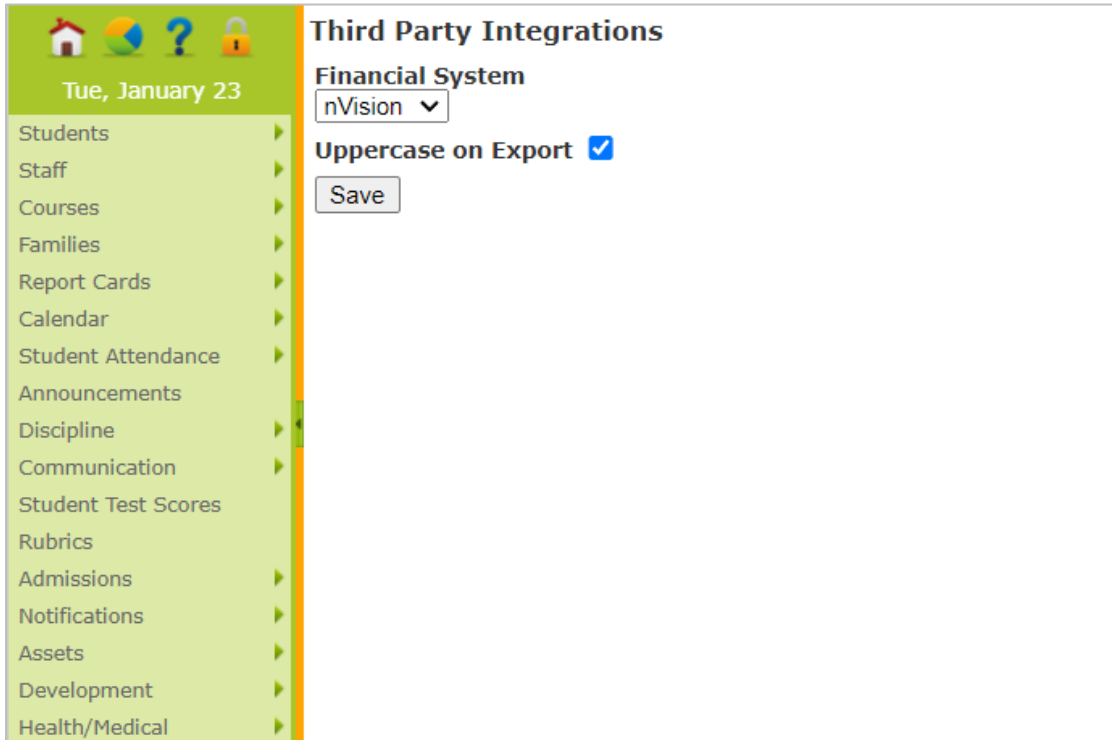

New Features & Enhancements

- **#4621 – Hover Over Document Attached to Process Form to See Document Name**
  Ability to place cursor over the "Download File" link to see the file name of the attached form so that the attachment can be identified without actually downloading the file.
